## CERTIFICATE OF ANALYSIS

### Cefuroxime Axetil Impurity 2

#### Identification

|                   |                                                                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name      | : Cefuroxime Axetil Impurity 2                                                                                                                     |
| Chemical Name     | : 1-(Acetyloxy)ethyl(6R,7R)-3-methyl-7-[[[(Z)-2-(furan-2-yl)-2-(methoxyimino)acetyl]amino]-8-oxo-5-thia-1-azabicyclo[4.2.0]oct-3-ene-2-carboxylate |
| CAS No.           | : NA                                                                                                                                               |
| Molecular Formula | : C <sub>19</sub> H <sub>21</sub> N <sub>3</sub> O <sub>8</sub> S                                                                                  |
| Molecular Weight  | : 451.5                                                                                                                                            |
| Structure         | :                                                                                                                                                  |

#### Analytical Information

|                       |                                 |
|-----------------------|---------------------------------|
| Appearance of Product | : Light Yellow Solid            |
| Solubility            | : ACN:H <sub>2</sub> O(8:2)     |
| Long Term Storage     | : 2° 8° C for long term storage |
| HPLC Purity           | : 95.37 %                       |
| Weight Loss By TGA    | : 1.61 %                        |
