## CERTIFICATE OF ANALYSIS

### Ondansetron EP Impurity D (Ondansetron USP Related Compound D)

#### Identification

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Product Name      | : Ondansetron EP Impurity D (Ondansetron USP Related Compound D) |
| Chemical Name     | : 9-Methyl-3-methylene-1,2,3,9-tetrahydro-4H-carbazol-4-one      |
| CAS No.           | : 99614-64-9                                                     |
| Molecular Formula | : C <sub>14</sub> H <sub>13</sub> NO                             |
| Molecular Weight  | : 211.3                                                          |
| Valid from        | : 03-Dec-2019                                                    |
| Valid Till        | : 02-Dec-2022                                                    |
| Structure         | :                                                                |

#### Analytical Information

|                       |                                  |
|-----------------------|----------------------------------|
| Appearance of Product | : Yellow Solid                   |
| Solubility            | : ACN: H <sub>2</sub> O (8: 2)   |
| Long Term Storage     | : 2°- 8° C for long term storage |
| HPLC Purity           | : >96%                           |
