## CERTIFICATE OF ANALYSIS

### Sumatriptan EP Impurity C

#### Identification

|                   |                                                                                             |
|-------------------|---------------------------------------------------------------------------------------------|
| Product Name      | : Sumatriptan EP Impurity C                                                                 |
| Chemical Name     | : 1-(3-(2-(Dimethylamino)ethyl)-1-(hydroxymethyl)-1H-indol-5-yl)-N-methylmethanesulfonamide |
| CAS No.           | : 1797905-62-4                                                                              |
| Molecular Formula | : C <sub>15</sub> H <sub>23</sub> N <sub>3</sub> O <sub>3</sub> S                           |
| Molecular Weight  | : 325.4                                                                                     |
| Valid from        | : 18-Dec-2019                                                                               |
| Valid Till        | : 17-Dec-2022                                                                               |
| Structure         | :                                                                                           |

#### Analytical Information

|                       |                                   |
|-----------------------|-----------------------------------|
| Appearance of Product | : White Hygroscopic Solid         |
| Solubility            | : ACN: H <sub>2</sub> O (8: 2)    |
| Long Term Storage     | : 2° - 8° C for long term storage |
| HPLC Purity           | : >94%                            |
