## CERTIFICATE OF ANALYSIS

### Valsartan EP Impurity C (Valsartan N-Butyryl Analog)

#### Identification

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Product Name      | : Valsartan EP Impurity C (Valsartan N-Butyryl Analog)               |
| Chemical Name     | : [(S-N-Butyryl-N-([2'-(1H-tetrazole-5-yl)biphen-4-yl)methyl)-valine |
| CAS No.           | : 952652-79-8                                                        |
| Molecular Formula | : C <sub>23</sub> H <sub>27</sub> N <sub>5</sub> O <sub>3</sub>      |
| Molecular Weight  | : 421.5                                                              |
| Valid from        | : 30-Jan-2020                                                        |
| Valid Till        | : 29-Jan-2023                                                        |
| Structure         | :                                                                    |

#### Analytical Information

|                       |                                   |
|-----------------------|-----------------------------------|
| Appearance of Product | : White Solid                     |
| Solubility            | : Mobile Phase A                  |
| Long Term Storage     | : 2° - 8° C for long term storage |
| HPLC Purity           | : >96%                            |
